

## WARRIOR SALUTE VETERAN SERVICES

Warrior Salute Veteran Services provides services and support for our nation's veterans. Our services include clinical therapies, case management and transitional housing to veterans diagnosed with post-traumatic stress disorder, traumatic brain injury and military sexual trauma so they may transition back as vital members of their communities. Staff work one-on-one with service members to help identify their goals, determine the personalized support needed and implement the services and training necessary to foster growth and development.

## CDS WOLF FOUNDATION

The CDS Wolf Foundation, named in honor of CDS Monarch founders Lew & Phyllis Wolf, seeks donations to help support the growth and expansion of CDS Life Transitions' community services and unfunded areas of need. Support of the Teeing Off for Abilities event enables CDS Life Transitions to provide high quality supports and services to the people we assist as they reach for their dreams of independent and fulfilling lives in our community. Proceeds from the event will benefit Warrior Salute Veteran Services at CDS Life Transitions.

12:30pm Shotgun Start  
6:00pm Cocktail Hour  
6:45pm Dinner, Awards & Closing Ceremony

This year's golfers will be some of the first to play on the newly renovated East Course at Oak Hill, one of the top 20 golf courses in the United States. Restoration of Oak Hill's championship East Course began in August of 2019, and has reopened Spring of 2020.

Each of the greens on the East Course have been rebuilt to USGA specifications for improved turf quality and drainage using sod grown specifically to Oak Hill's specifications. In addition, 3 holes were redesigned, gaining inspiration from the course's original designer, Donald Ross. The restoration balances the history of the Donald Ross design with today's technology and traditions of Oak Hill, creating a challenging and enjoyable layout for members, guests, and for the best golfers in the world.

Andrew Green, A. H. Green Design, has overseen the restoration. He summarized the restoration project this way: "Donald Ross set the East Course at Oak Hill Country Club on a stunning piece of ground— where the holes turn direction and flow over the property in an inspired fashion. It is an honor to rediscover his vision with the team we have assembled. We have utilized every ounce of historic data to reflect the strategy, style and intent of Ross with a keen eye on the way the game of golf is played today. The results continue to protect the legacy of Oak Hill for decades to come." Andrew Green, A. H. Green Design, has overseen the restoration. He summarized the restoration project this way: "Donald Ross set the East Course at Oak Hill Country Club on a stunning piece of ground— where the holes turn direction and flow over the property in an inspired fashion. It is an honor to rediscover his vision with the team we have assembled. We have utilized every ounce of historic data to reflect the strategy, style and intent of Ross with a keen eye on the way the game of golf is played today.
